

Back to School *With UDL* Checklist

- Create a vision to drive the school year focused on balance and flexibility
- Explore common barriers and eliminate them through UDL
- Design learning experiences aligned to goals that engage learners by giving them voice and choice
- Co-create classroom management plans that integrate UDL, SEL, and behavioral expectations
- Universally design your welcome letters to families and communities to ensure two-way engagement all year long
- Plan ahead for back-to-school night and/or parent/teacher conferences and give them a UDL make-over by introducing student-led self-reflection
